

Superior Care + Savings

Utilization Management,
Managed with Care.

With an aging population, the prevalence of vision problems is projected to increase, resulting in higher eye-health care costs.* To ensure medical necessity for ocular procedures for your Medicare and Medicaid recipients, you need an eye-health care expert on your side.

A Turnkey UM Solution

The iCare Utilization Management (UM) solution helps you:

- Pay for the right care at the right time
- Curtail overutilization
- Control costs
- Achieve effective and timely reporting for all prior authorizations

Advanced Technology + Comforting Care

With more than 30 years of experience in the management of ocular health, our team will:

- Support transparency of coverage criteria through our secure online portal
- Conduct true peer-to-peer reviews with licensed ophthalmologists
- Improve member satisfaction and the provider experience
- Develop coverage criteria for emerging technologies and ocular procedures

Seamless Delivery + Unparalleled Support

- Consultative and collaborative approach ensures seamless delivery
- Customized services that are flexible, fast, and accurate
- Live support to answer provider inquiries and assist in scheduling peer-to-peer reviews

Let us customize a plan for you. To learn more, call **855.373.7627 ext. 322**
or email **UM@myicarehealth.com**
